CHIRAG RAWAT

Computer Engineer

About Me

hello, I'm a Passionate and driven first-year B.Tech 1st year student specializing in Computer Science and Engineering, with a strong foundation in programming and problem-solving. I am eager to contribute my skills and knowledge to the ever-evolving field of technology.

I am highly motivated to further expand my knowledge in computer science and engineering through hands-on experience and ongoing learning. I am seeking opportunities to collaborate with industry professionals and contribute to projects that push the boundaries of technology.
